WELCOME

We're going to look at, all of the things that you can

See

Hear

Touch or Feel

Smell

When you visit SEA LIFE London

When I visit SEA LIFE London, outside I might see

Lots of other guests

A big sign

When I get inside SEA LIFE London, inside I might see

Fishes swimming

A tunnel you can walk through

Lots of water and blue lights

A rockpool area

When I get inside SEA LIFE London, inside I might hear

A team member talking

The sound of water

The sound of other children

Soft background music

When I get inside SEA LIFE London, inside I might touch

Cold water in the touchpool

Mermaids' purses

Glass displays

When I get inside SEA LIFE London, inside I might smell

Salty water

The fish and animals

A seaside smell (shells)

Hand sanitiser
