

Found an injured sea creature?

Report a marine rescue today. SEA LIFE Sydney Aquarium's team of experts are on call 24 hours, every day of the year to help rescue marine animals in need.

Record

Make a note of any relevant details about the animal.

What animal is it?

Where is it located?

What condition is the animal in?

Call

Call the SEA LIFE Sydney Animal Rescue Centre so we are able to come and assess the animal.

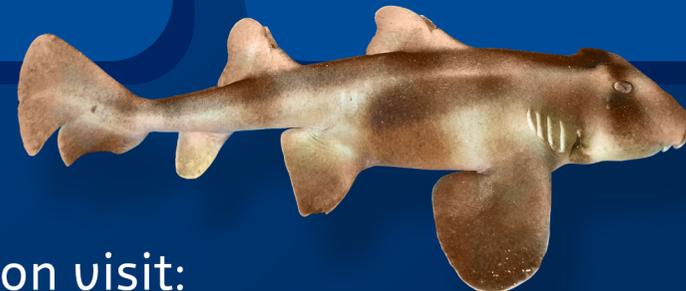

Call us on

0402 783 455

Observe

If possible continue to observe and monitor the animal until one of our SEA LIFE Sydney Animal Rescue team members makes it to the site. Do not interact with the animal.
